Sooner or later we all discover that the important moments in life are not the advertised ones, not the birthdays, the graduations, the weddings, not the great goals achieved. The real milestones are less prepossessing. They come to the door of memory unannounced, stray dogs that amble in, sniff around a bit and simply never leave. Our lives are measured by these.

-Susan B. Anthony

Life is a road, and it's our choice whether we're the car on the road, or the possum.

-Andrew White

I am still determined to be cheerful and happy, in whatever situation I may be; for I have also learned from experience that the greater part of our happiness or misery depends upon our dispositions, and not upon our circumstances.

-Martha Washington [1732 - 1802]

"THE BEST WAY TO MAKE YOUR DREAMS COME TRUE IS TO WAKE UP."

~J.M. POWERS

It takes twenty years to make an overnight success.

-Eddie Cantor

COURAGE IS THE ART OF BEING THE ONLY ONE WHO KNOWS YOU'RE SCARED TO DEATH.

-HAROLD WILSON (1916 - 1995)

THE DIFFERENCE BETWEEN GENIUS AND STUPIDITY IS THAT GENIUS HAS ITS LIMITS.

--ANON

If 'A' is success in life, then $A = x + y + z$. Work is x; y is play; and z is keeping your mouth shut.

-Albert Einstein

I never looked at the consequences of missing a big shot . . . when you think about the consequences you always think of a negative result.

---Michael Jordan

Challenges make you discover things about yourself that you never really knew. They're what make the instrument stretch - what makes you go beyond the norm.

-Cicely Tyson

I HAVE NOT FAILED. I'VE JUST FOUND 10,000 WAYS THAT WON'T WORK.

-THOMAS EDISON

You don't have to hold on to the pain to hold on the memories. -Anon

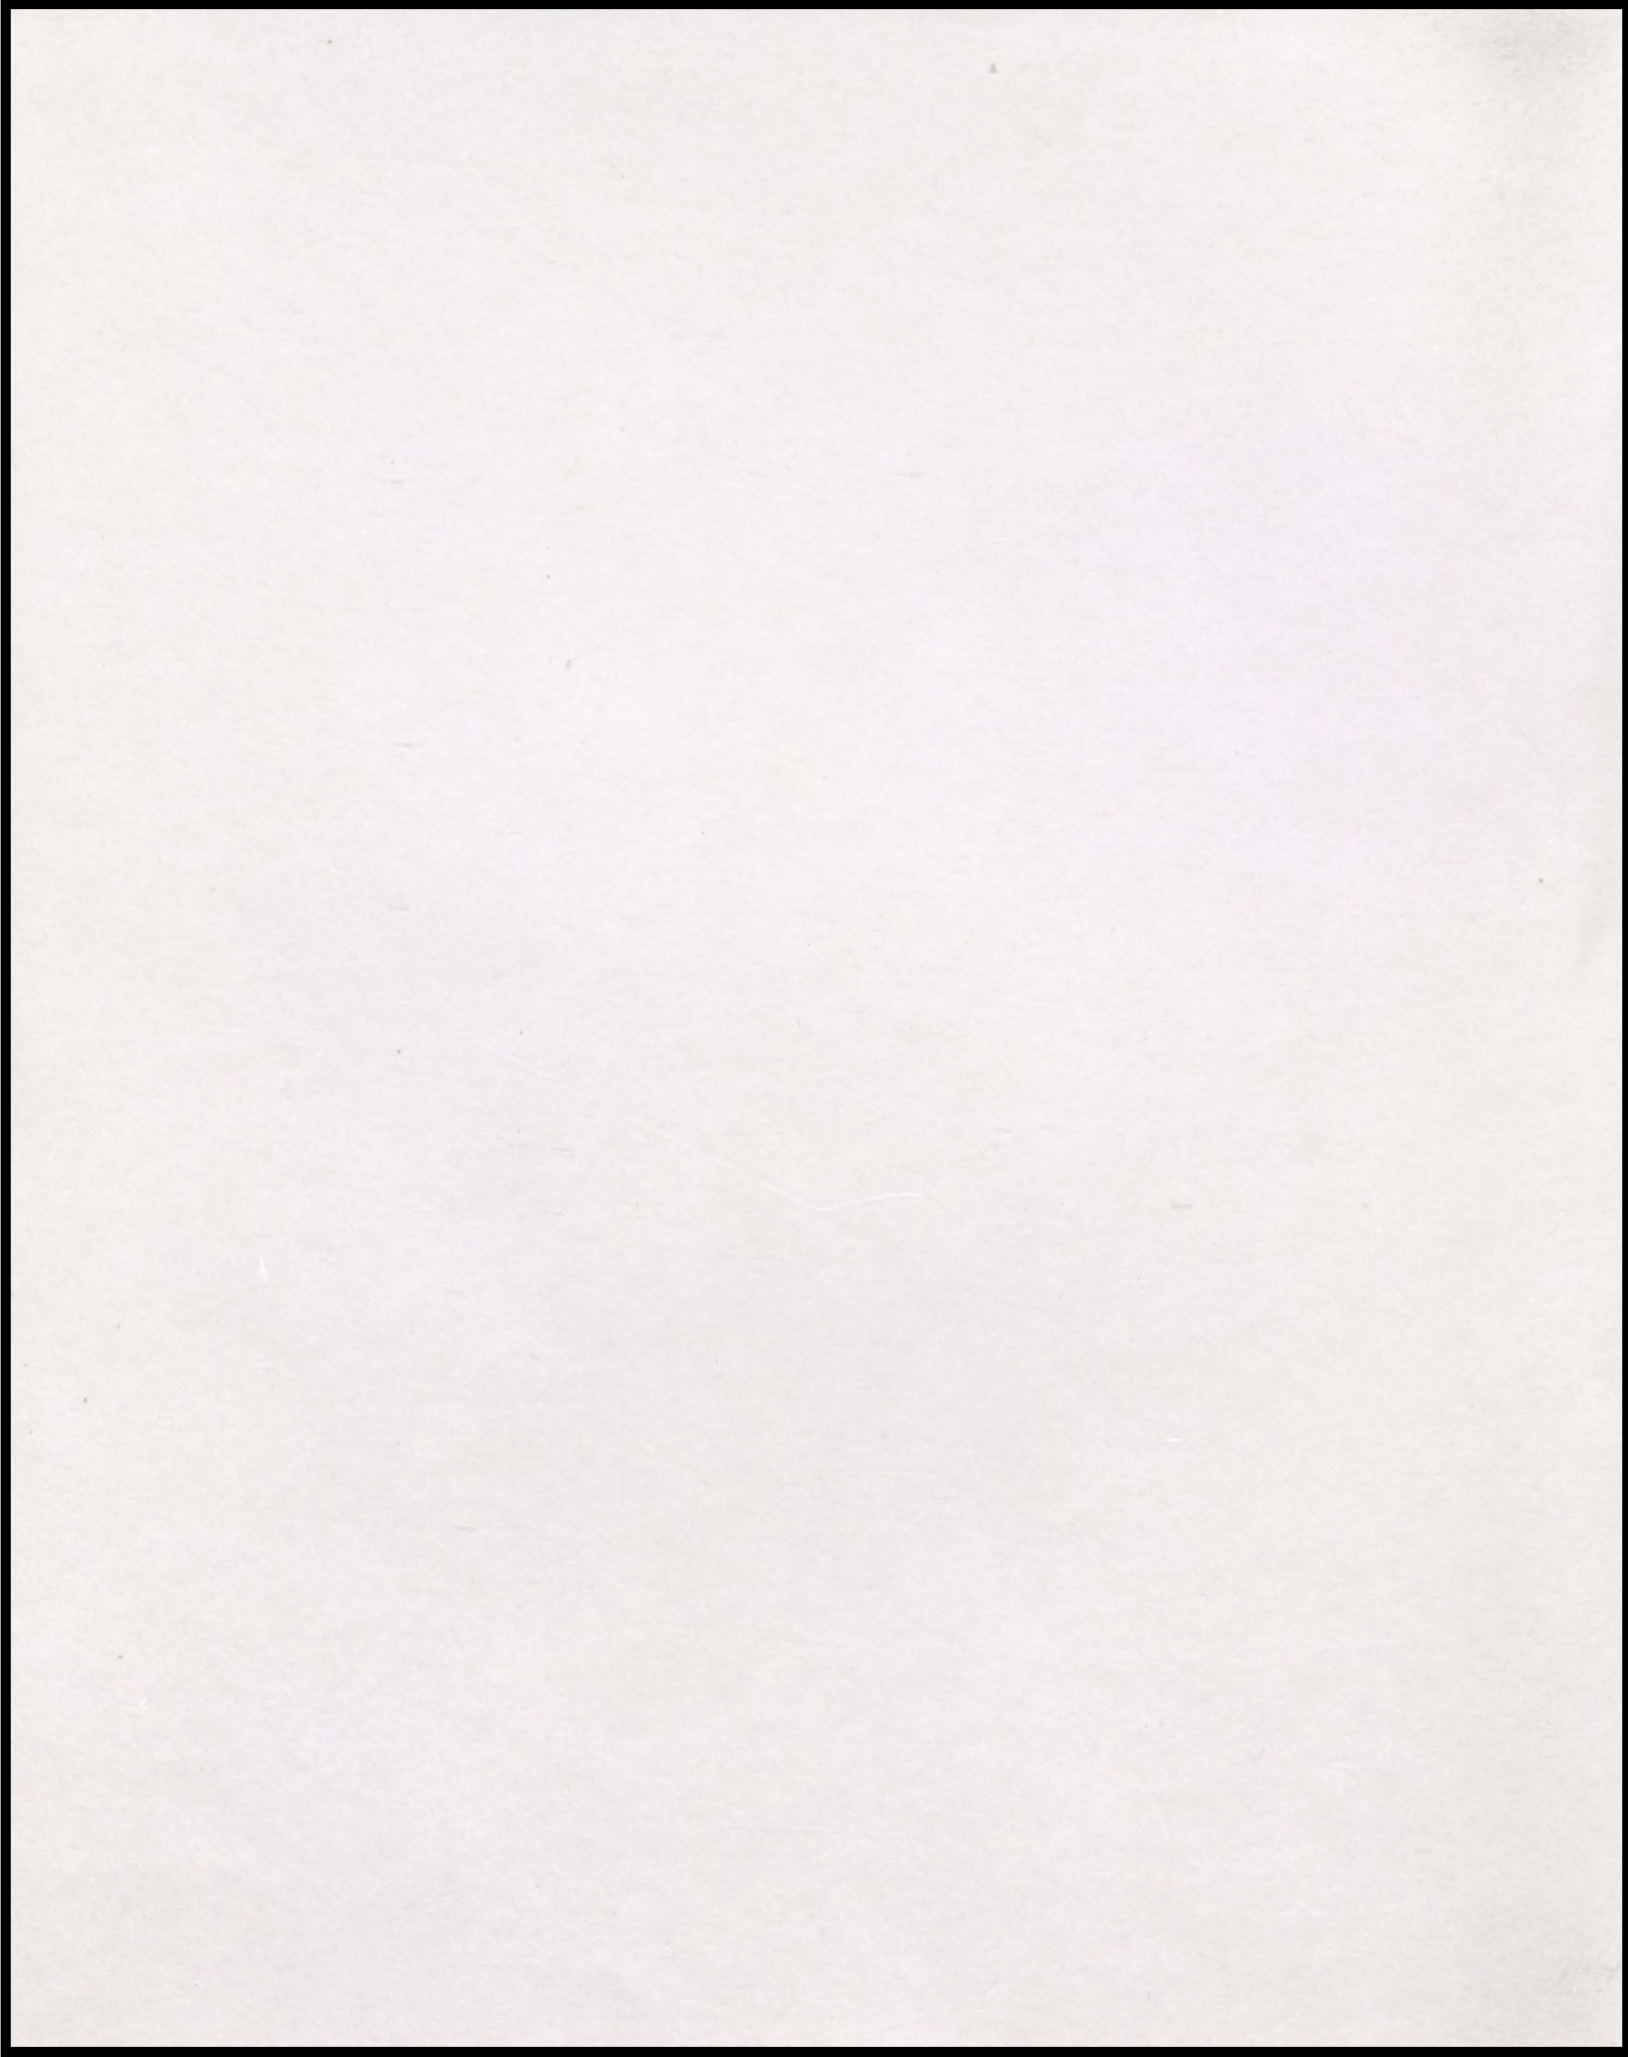

My mother said to me, 'If you become a soldier, you'll be a general; if you become a monk, you'll end up as the Pope.' Instead, I became a painter and wound up as Picasso. -Pablo Picasso

"One of these days and it won't be long, I'm gonna go to the valley and sing my song. I'll sing it loud and sing it strong, let the echo decide if it's right or wrong"

On every occasion presented, Chargers have the opportunity to be **SEEN**. Through this, exposure is gained and friendships are built. Each Charger is unique, but in the scheme of things, we are all the same: A community of hardworking students seen and respected for who we are.

What are your feeling about starting High School?

- I can tell people I am in High School!

-Rodrick Smathers

- I'm excited. I'm just ready to do my best and go ahead and graduate and start reaching for my goals.

-Courtney Toliver

Throughout all of the
voices **HEARD** during the day,
no voice is lost. With each
student speaking their mind, we
create a dialect of our own.
Being heard keeps you on top of
things from the first day until
the last.

It is **NOTED** that Chargers are successful students in school, as well as in the community. With strong academic talent and an overwhelming dedication, our school undoubtedly remains on top. Volunteer hours and commitment by students and faculty makeup the heart and soul of our community.

Junior Quotes:

Tell about when you were most proud to be a Charger.

- When I was on the soccer team and I got my first assist in a game.

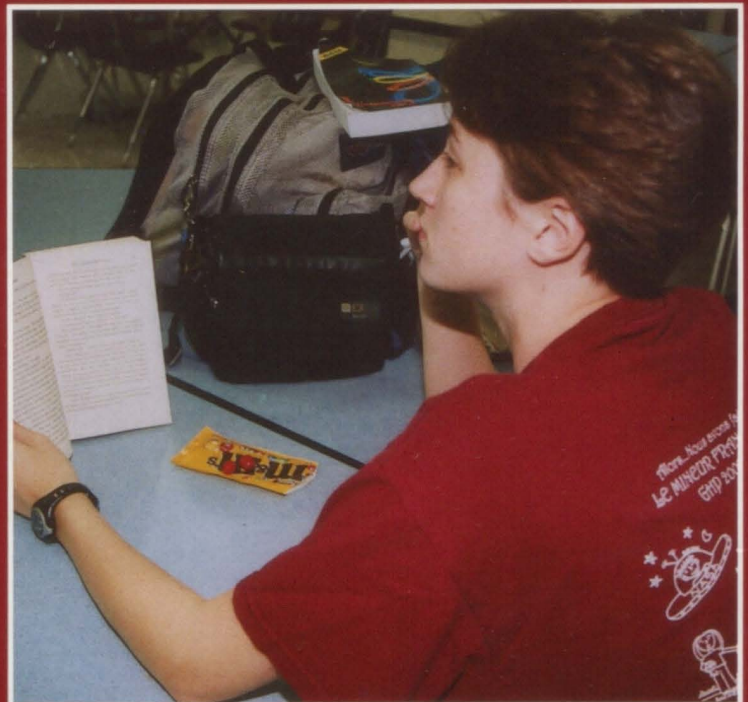

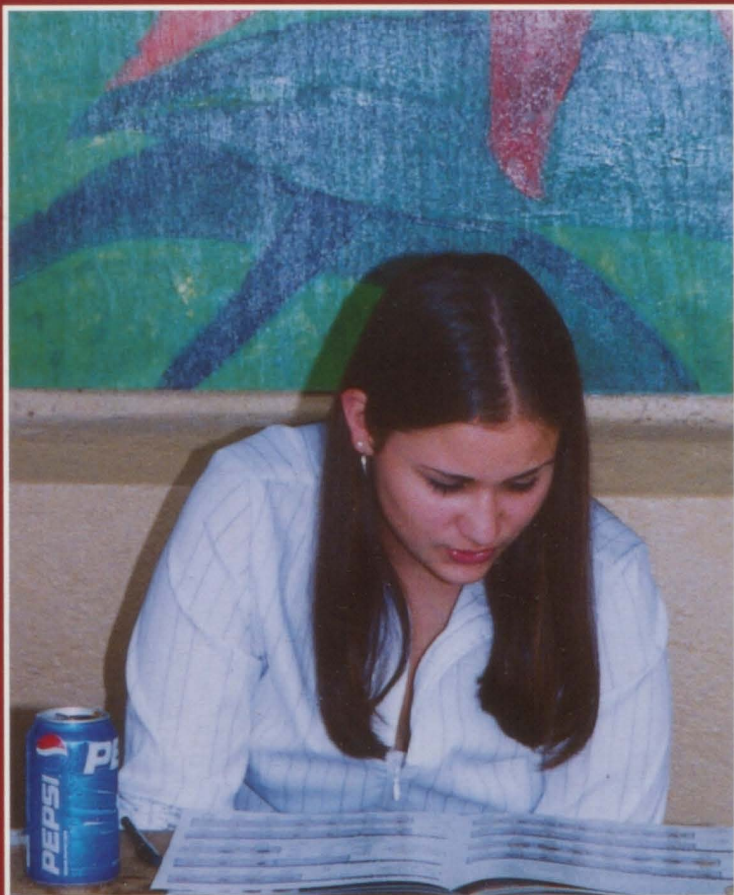

-Daniel Barnes

- To be able to go to my old school and say we beat them in football.

-Chris Mickle

- Latasha Ford

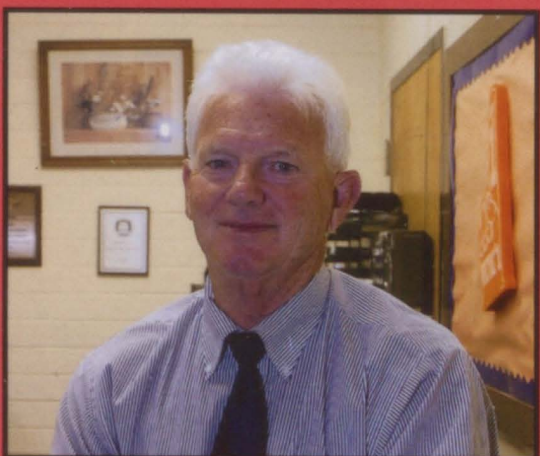

Overwhelming support for Macon's favorite high school is **QUOTED** in all of our works. The reward for our supporters is the opportunity to be archived in a timeless way. Without your patronage, we could not bring the Pegasus to you.

Quoted...Seen...Heard...Noted.

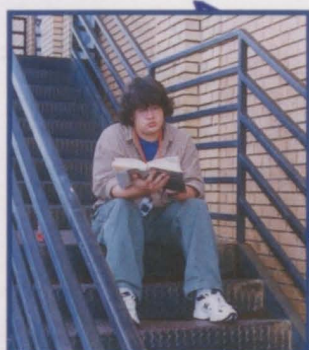

Many of the great qualities of the Charger Spirit are seen each day. The enthusiasm, the pride, the dedication beyond self is evident and shines each day as friends start to gather outside in the morning or in the hallways at lockers as eager faces anticipate the challenges of the day.

The building itself is not the real Central High School. Simply ignored is the rattling of chains on doors, the cracks in the walls, and the overly used and abused books. We are the heart of Central High School; we are seen ; we are the future.

In addition to the sparkling sequins that shimmer as instruments are raised, audiences enjoy as well as realize the dedication and devotion required of a Charger. The roaring cheers, a thundering applause, shows the appreciation for demands being met resulting in success.

Why Would anyone EVER consider attending a high school anywhere else? It is not just the "GO CHARGERS" that is so often heard; it is not the sea of orange in the stands...

It is the intense feeling that each student is a part of something special. We are famous for our traditions, our diversity, our high test scores--our future. We have the attitude that anything is possible.

Lasting friendships are formed from common interests by the showing of enthusiasm for learning and experiencing together. We are honored by our outstanding programs with the awards and recognitions well earned. Pride and the drive to excel is demonstrated in the many school areas such as our JROTC unit with distinction, which dates back to our founding days in the 1920's, as traditions continue.

Kacie Lauren Beach

As you approach your high school graduation, I want you to know how proud I am of you. I constantly reflect on your milestones: first smile, first step, first word...the way you would tumble, then get up and go on undeterred. I think back to the numerous events to which you had to be chauffeured and how much fun it has been watching you grow. And now, it is so amazing how fast the time has flown, and here you are, a young lady whose goodness and generosity makes you the type of person everyone can admire. To see you grow up and become this bright, articulate, caring human being is for me to know the wonderful feelings of love and pride.

My dear daughter, Matthew 6:21 states "for where your treasure is, your heart be also." And because of you, my soul is rich and my life is beautiful.

Love,
Todd

To our daughter: Ashley Renee' Davidson

From Daddy's little girl, to Tiffany's sassy sister, to Mama's amazing young lady;

It's hard to believe that our baby girl is graduating! As you continue your journey down a different path, know that our love and prayers not only follow you, but go before you.

We hope that you have as much confidence in yourself as we have in you. You have caused us to beam with pride over the many accomplishments you have already made in this lifetime. And we know that your sensitive nature and unselfish character will help you to soar even higher in the years ahead.

We love you with all of our hearts. We conclude with this last bit of advice: Always do your best, and leave the rest to God!

The 2004 *Pegasus*, **SEEN – HEARD – NOTED – QUOTED**, is a full color yearbook for Central High School designed by the Communications class and yearbook staff. The cover was designed by staff members who attended Jostens Yearbook Camp at Auburn University.

The front cover and spine is craftline embossed with a twist grain and the color is Storm 524. The silver Charger medallion is enhanced with silver smoke silkscreen ink. The back cover is embossed with the school seal.

The content pages are 100 lb. gloss stock with mostly a colored background and were created using PageMaker and YearTech. The advisors, LifeTouch photography, and the staff photographer photographed the portraits and events during the school year.

This 34th edition of *Pegasus* was published by Jostens Printing and Publishing, 1312 Dickson Highway, Clarksville, Tennessee.
